

Bird's Confirmation

**Bird, did you know
You would go
'Cross the nation?**

**Join us today
As we play
Confirmation.**

**The Thirties taught us Swing
Bird brought a Whole New Thing.**

**Now Bird is King
He turned Swing into...
Bebop!**

Parker Came Along

**Parker came along
He took our favorite song
He turned it all around
He turned it upside down**

**It's still the Blues
Just got new shoes
Now we can't stop
It's called Bebop!**

**It took a little while
For us to get the style
Said Charlie with a grin,
"I'll show you once again!"**

**It's still the Blues
Just got new shoes
Now we can't stop
It's called Bebop!**
