

Wake up, Cantaloupe!  
The new day begun  
Wake up, Cantaloupe!  
Reach up to the sun  
Cantaloupe, Cantaloupe mine  
Cantaloupe, Cantaloupe fine

Sing out, Cantaloupe!  
'Cos here comes the rain  
Sing out, Cantaloupe!  
And join the refrain  
Cantaloupe, Cantaloupe mine  
Cantaloupe, Cantaloupe fine

Roll up, Cantaloupe!  
It's Harvestin' Day  
Roll up, Cantaloupe!  
To Market today  
Cantaloupe, Cantaloupe mine  
Cantaloupe, Cantaloupe fine

Farewell, Cantaloupe!  
You're gonna taste great  
Farewell, Cantaloupe  
On somebody's plate  
Cantaloupe, Cantaloupe mine  
Cantaloupe, Cantaloupe fine

Can-ta-loupe!
