

# AJW Wild About Harry Lyrics

We're just wild about Harry  
His tunes are fun as can be  
On every song  
We're singing along  
He knows how to do-re-mi!

More fun than Curly or Larry  
*Hey Moe!*\* Come down from that tree!  
Oh, we're just wild about Harry  
His songs we're wild about  
Cannot do without  
Harry Warren's for me!

\*"*Hey Moe!*" is exclaimed, a la Curly.>
