

Soul Jazz! Soul Jazz!

A new groove that moves on its own

Soul Jazz! Soul Jazz!

It calls you to follow along, yeah yeah

Soul Jazz! Soul Jazz!

**It's gonna move you from the soles of
your feet, I'll tell you what**

Soul Jazz! Soul Jazz!

**Go tell your Mama! Go tell your
Gramma!**

Soul Jazz! Soul Jazz!

**A new sound, it's singin' itself, it's so
complete**

Soul Jazz! Soul Jazz!

**Gonna make it ever so sweet! Feel it
in my feet!**
